- **Initial Consultation Meeting (Yearly)**

Meeting will occur in person at a location agreeable to JRS Staff and family. This meeting will include a review of the recruiting questionnaire and important topics in the recruiting guide. We will also cover how to use the internet as a resource to look up useful recruiting tools.

- **Skills Video and Match Footage**

A skills video will be taken of athlete performing skills that best demonstrate her most marketable attributes. This video will be filmed at the Rec Plex or other available location as needed. Skills video will vary in length depending on the position of the athlete. The video will be edited and uploaded onto video website. That link will be embedded on the player's roster profile page and recruiting page on the WJV website. One free copy of the video will be provided to the athlete via DVD.

The JRS will mail out DVD's to Universities of your choice under the following conditions

2. JRS will require adequate time to burn DVD's prior to mailing.

JRS will review all player supplied match footage before uploading. JRS will edit and upload two match footage videos with no extra charge. If more than two match footage videos are requested to be edited and uploaded, it will be subject to the \$60 hour rate. You are allowed two match video uploads and one updated skills taping per year.
