Description of Services Below:

- **Skill Video Taping- \$200**

A skills video will be taken of athlete performing skills that best demonstrate her most marketable attributes. This video will be put together at the Rec Plex or other available location as needed. Skills video will vary in length depending on the position of the athlete. The video will be edited, arranged and burned onto ONE DVD copy for customer. It will be uploaded onto the players profile page on the WJV website and a link to the video will be provided.

- **Video Editing**

Video must be given to the JRS in either a digital format (ex. Flash drive) or on DVD. Any video that is provided by the player/family will be edited to specifications given by the provider under the guidance of the JRS. Video will then be returned to the player/family in the same format that it was given. **VIDEO EDITING DOES NOT INCLUDE VIDEO UPLOAD**

- **Counseling Sessions**

These sessions will be made by appointment. This will either be a session done over the phone or in person at the request of the player/family and in agreement with the JRS. The content covered in the sessions will be determined by the player/family's need and along with the guidance of the JRS.

- **Video Upload to WI Jrs. Website**

JRS will take the video that either we have edited or you have provided, and upload it to a video website which will then be embedded onto the player profile on the WI Jrs website. This video will be able to be played within the website itself as well as contain a link to the website from which it is uploaded to.

- **Bio Upload to WI Jrs. Website**

JRS will take a players' personal bio sheet which will be created by the player/family and upload it to the Wisconsin Juniors Website under the players profile page. There will be a link that can be clicked on which will allow the profile sheet to open in the format provided.
